

I'm Siobhan and I'm the webmaster for Central TREC Group. I'm relatively new to TREC, having only started it in 2011. I have been riding since I was 6 and I was a member of my local Pony Club and Riding Club where I mainly competed in show jumping. My Mum introduced me to TREC, after a friend introduced her to it. Unfortunately, I sold my horse prior to starting university but I am lucky to be able to ride friends' horses and I enjoy helping out at events.

I love the friendly atmosphere of the sport and the chance to ride in the beautiful English countryside. TREC is also very challenging and there are lots of opportunity to progress through the levels and I've found other TRECcians are more than happy to share their experience and offer advice.
