

# Led Bending

## Equipment:

- 6 posts
- 2 pairs red & white flags
- 1 number
- Material for marking (flour, shavings, paint)

## Objectives:

Demonstrate the correct approach of the rider and willingness and obedience of the horse

## Features:

- Bending through six posts, evenly spread in a straight line at a distance of 5m from one another

## Effectiveness faults:

- Touching the posts
- Break in forward movement (change of gait)

## Style evaluation:

- According to the slowest gait

## Marking:

- Effectiveness: marked 7, 4, 1 or 0 depending on the number of faults
- Gait: trot = +3, walk = 0

## Penalties:

- Brutality -3 points
- Missing a post or stepping out of the corridor results in a zero score for the obstacle
