

# CENTRAL TREC GROUP

## Fixed Obstacle Training & POR Training

**Sunday 14th April 2019**

**Milton Keynes Eventing Centre  
Castlethorpe Road, Hanslope, Milton Keynes, MK17 7HQ**

We are offering two different training options (you can do just one or book on to both). Both aimed at helping you hone your skills ready for the start of the summer season.

### **Fixed Obstacle Training**

Using the fabulous cross-country course and qualified trainer Jane Hessel we will work to improve your skills and confidence across a range of fixed obstacles including steps, ditches and water crossings, as well as the option to jump a number of solid jumps too. Body Protectors are mandatory for this training. Please give a clear indication of your level of experience to help us group similar levels together.

### **POR training (provisional, depending on uptake)**

We will be offering two levels of training - led by Claire Pollard. Newcomers, demonstrating basic map reading, including map drawing practice in a demo map room, riding a short route following that map. Experienced, this option will include the use of bearings and will include some grid marking practice. Please note that your horse may be required to stand on the box while the map room training takes place.
