Details of why they have been nominated and pictures of each horse are on the following pages.

Katy Memorial Trophy - CTG Horse of the Year

Pous

I would like to nominate Pous for the Katy Memorial Trophy

Pous, or more correctly Lipous De Kermabilou, was loaned to Sarah about a year ago, as he was due to retire from his main career as a Whipper-in's, having reached the grand age of 20.

We were told by his owner to use him and have fun. We decided to give Level 3 pairs a try with him and entered Bulcote, he was fantastic out on the POR and we finished the first day in the lead. We held onto that lead and went on to do 3 more competitions, winning all three including the English and British Championships. This resulting in our winning the league. He has the most amazing desire to keep going on the POR, and this results in my horse wanting to stay with him, even up past Dead Wife's Grave in Scotland, where we got time penalties for being too fast, even though we walked the whole section.

His second day is improving, and he managed to score 2 30's for walk.

Thanks to Pous we have both had a really enjoyable season, Sarah riding him and me following on 2B. He has given us a huge amount of fun.

Katy Memorial Trophy - CTG Horse of the Year

Rio

I would like to nominate Rio.

She managed to qualify as an individual at Park Farm before being struck down by an cough. This took for out of most of the summer season recovering. She returned for Oakham then went to the championships and pulled off 2nd place.

She also was brilliant nanny to Lawrence in September for his first full Trec.

What a treasure!

Katy Memorial Trophy - CTG Horse of the Year

Lawrence

I would like to nominate Lawrence for being a complete superstar completing his first ever summer Trec at 4 years old.

This smashing pony never put a foot wrong on the POR and has so much scope to go forward and learn the principles of the MA and PTV.

This is a little horse is one to watch for the future!
