

Central TREC Group: Milton Keynes Equestrian Centre Arena TREC 2019

This will be our first of 2 competitions we are holding at MKEC; the second competition will be Sunday 9th February 2020. Please read all the information carefully and we look forward to seeing you on Sunday.

IMPORTANT INFORMATION RE VACCINATIONS

Due to the outbreak of Equine Influenza, we need to check all horses' passports to ensure their vaccinations are up-to-date prior to a horse being unloaded from its trailer/box at the competition. If you have already presented your passport to Trec GB in the last 9 months and notified Trec GB with your annual booster then there is no need to present your passport. If you have not presented a passport to Trec GB, then please email a copy of your horse's passport and vaccinations together with your name and your horse's name on the start times (if different to the passport name) to entries@trecgroup.co.uk before the competition. You will receive a confirmation email that your horse's vaccinations are acceptable.

If you cannot email a copy to us before Sunday, please come and find a steward on Sunday before unloading your horse.

Please see the latest guidance and clarification from TREC GB in relation to vaccinations: www.trecgb.com

EQUINE FLU **TREC GB REQUIREMENT**

You can also download the flu vacc checker from the CTG website.

GENERAL COMPETITION INFO

- Please see www.trecgb.com for the current obstacle rules, non-standard obstacle data sheets are available on CTG website. See list of obstacles at the bottom of competitor info.
- There are some road works through Hanslope on the approach to the venue. Please take care when driving and be mindful that there may be other vehicles on the roads.
- Please ensure that your vehicle is locked when you are not with it.
- Please park in the area of hard standing as marked on aerial picture. Please park considerately as space is slightly limited.
- Please take care when travelling from the parking area to the arenas and avoid vehicles.

- Please ensure that you arrive in plenty of time for your round to minimise the risk of over running.
- The competition will all take place in the indoor and outdoor arena. The MA will be done first outdoors, following by your PTV round in the indoor arena. Please report to the judge at the arena ready to start your MA at your start time.
- Those doing classes with just PTV should report straight to the indoor arena slightly before their start time.
- Note the warm up will be next to the MA, please be considerate of riders competing in the MA. No warming up with the marked MA area. Please abide by the rules of the school and do the practice jumps in the marked directions (if any). Please do not enter the MA area until you are called. Please be considerate to those doing their round whilst you are in the car park area or passing the arena.
- **Any problems on the day please contact Bev Abbott 07968692553**
- Please note that for Arena TREC competitions timing of rounds needs to be controlled in order to avoid serious delay to the day. Each competitor has a time slot in the arena which is shown on the plan for that class. The judge will start a stopwatch as you start your PTV round and if you run out of time the judge will blow a whistle. At this point you will stop scoring points (including for the obstacle that you are in, if applicable). You will then be asked to leave the course. Please ensure that you start promptly as there are a lot of rounds to get through.
- We hope you will consider joining Central TREC Group. If you would like your results to be included in the Central TREC Group league or the National TREC GB league then it is a requirement that you are a member of the relevant organisation by the end of the day of the competition in which you are competing. We will have a supply of application forms at our events or you can apply beforehand online at www.trecgb.com.
- **DAY MEMBERSHIP:** If you are not a CTG or Trec GB member in order to be covered by our insurance you will need to have day membership. Please ensure that you sign in when you collect your number and notify a steward.
- Please see separate document with map and directions to MKEC.

OBSTACLE LIST

The obstacles being used are:

	Scoring Guidelines sheet required
