

# CENTRAL TREC GROUP

## Pony Club Challenge

**Being run as part of the Park Farm 2 competition**

**Saturday 10<sup>th</sup> July 2021**

**Park Farm Equestrian, Cold Ashby Road,  
Stanford On Avon, Northamptonshire, NN6 6JR**

### **Pony Club Challenge class**

Pony Club branches and centres and Riding Clubs are invited to send junior riders (aged 14-18) to compete in a new bespoke class at our Park Farm TREC competition. Riders will compete as pairs and will be given maps and written notes to navigate the orienteering phase, which will be approximately 10km long and almost entirely off road. The control of paces and obstacle cross country course phases will be done individually and the points added together to give overall scores. A team class will also be run, with 2 pairs forming a team.

More information and entries can be found at [www.trecgroup.co.uk](http://www.trecgroup.co.uk) or by emailing [helen.martin@trecgroup.co.uk](mailto:helen.martin@trecgroup.co.uk). Entries will open on 10<sup>th</sup> June.

BETA Level 3 Body Protectors (with a purple 2009 or a turquoise 2018 label) are mandatory for the PTV phase.

---

### **Training**

Unmounted training will be offered for branches, centres or clubs who don't have access to any experienced TREC competitors/judges to help their riders. Please contact [central@trecgroup.co.uk](mailto:central@trecgroup.co.uk) to enquire about training sessions or to request a date.
