What is Arena TREC?

Arena TREC focuses on the MA (Control of Paces) and PTV (Obstacle course) phases of TREC and events are usually run in an indoor or outdoor school.

The PTV is a course of 10 optional obstacles, each with a maximum score of 10 points. There is a large range of obstacles designed to test things that would normally be encountered out hacking in the British countryside. You will not be eliminated if there is something that you cannot or do not wish to do. All you have to do is stop, and tell the judge that you are not attempting it. To find out more, please look at the [TREC GB Rulebook](#)

The MA phase consists of a 2m wide corridor between 50 and 150m long along which the rider canters as slowly as possible before returning by walking as fast as possible without breaking pace. A maximum of 15 points for each of the two stages can be attained, i.e. 50% of the full Summer Series marks.

The Winter League will include results from all TREC GB Arena TREC competitions held in from 1st October 2021 to 1st May 2022. Open, Intermediate, Intermediate Open, Newcomer and Novice Horse classes. Points will be awarded for placings (1st = 10 points, 2nd = 9 points, etc) and the best 4 placings for each horse and rider combination will be used to calculate the League standings. If a competitor is eliminated in the PTV phase, there will be no league points awarded for that round, even if they are placed in the class.

Riders who are not members of TREC GB can join within 48 hours of the competition for their performance at that event to count. In special circumstances competitions outside these dates may be considered to count for the league by special permission from the Winter series working group.

The highest four scores will be counted for the league. In the event of equal positions after 4 events the position at a fifth event will be taken into account. If still equal the TOTAL actual PTV scores (from 4 events) will be taken into account.

Equine Flu Requirements: TREC GB requires that all equines must be vaccinated against Equine Influenza and that organisers of any events, involving equines, insist that vaccinations are up to date (12-month cycle) and to check passports before horses are unloaded. Full details of the TREC GB Equine Flu Vaccination requirements are available on the website (<https://trecgb.com/trec-gb-equine-flu-requirements/>)

Your horse can be registered on the TREC GB central register by sending a copy of the full vaccination record and horse registration details from the passport to admin@trecgb.com. Alternatively, your horse will be registered by the Entries Secretary for this event, please include a copy of the vaccination certificate and horse registration details when sending your completed entry in.

GENERAL RULES & CONDITIONS

Placing will be decided with the rider gaining the highest combined score from the PTV and MA phases taking the first prize. In the event of equality the highest score from PTV will take precedence.
