What is Arena TREC?

Arena TREC focuses on the MA (Control of Paces) and PTV (Obstacle course) phases of TREC and events are usually run in an indoor or outdoor school.

The PTV is a course of 10 optional obstacles, each with a maximum score of 10 points. To find out more, please look at the [TREC GB Rulebook](#)

Time Penalties of 1 penalty for every 6 seconds over the time limit will be applied

The MA phase consists of a 2-2.2m wide corridor between 50 and 150m long, along which the rider canters as slowly as possible before returning by walking as fast as possible without breaking pace.

The Winter League will include results from all TREC GB Arena TREC competitions held from 1st October 2023 to 28th April 2024 [from Affiliated classes](#). The best 4 placings for each horse and rider combination will be used to calculate the League standings. If a competitor scores zero in the PTV phase, there will be no league points awarded for that round, even if they are placed in the class.

The highest four scores will be counted for the league. In the event of equal positions the TOTAL actual PTV scores (from 4 events) will be taken into account.

Riders who are not members of TREC GB can join within 48 hours of the competition for their performance at that [event to count towards the TREC GB League](#)

Health and Safety

The event manager/organiser will take all reasonable precautions to ensure the health and safety of everyone present. For these measures to be effective, everyone must take all reasonable precautions to avoid and prevent accidents occurring and must obey the instructions of the officials and stewards on the day.

Trained First Aiders will be present at the event and should be summoned through an official in the event of an accident.

Competitors are asked to safeguard valuable tack and possessions. Young children must be supervised at all times. Neither the event manager/organiser nor the land/course owners can accept responsibility for loss or injury to persons or animals howsoever caused.

TREC GB has adopted a Safeguarding Policy and expects every adult working or helping at, or taking part in, TREC GB events to support it and comply with it. The TREC GB Safeguarding Policy is available at <https://trecgb.com/wp-content/uploads/TREC-GB-Safeguarding-Policy-V1.1.pdf>

GENERAL RULES & CONDITIONS

Placing will be decided with the rider gaining the highest combined score from the PTV and MA phases taking the first prize. In the event of equality the highest score from PTV will take precedence.
