### **Helpers**

All TREC competitions rely on the support of volunteer judges and helpers. Can you or anyone coming with you lend a hand? Please contact by e-mail, [committee@trecgroup.com](mailto:committee@trecgroup.com) if you can assist us with judging or stewarding on the day. Competitors can also help us with setting up, clearing equipment away, collecting scores etc. No judging experience necessary – we are grateful for all offers of help and you will learn lots from the inside! Even an hour's help can make a difference and there are lots of jobs suitable for non-horsey family members/friends. We provide all judges with free refreshments.

## Health and Safety

The event manager/organiser will take all reasonable precautions to ensure the health and safety of everyone present. For these measures to be effective, everyone must take all reasonable precautions to avoid and prevent accidents occurring and must obey the instructions of the officials and stewards on the day.

Trained First Aiders will be present at the event and should be summoned through an official in the event of an accident. The event manager/organiser may provide contact telephone numbers for emergency veterinary and farriery services.

Competitors are asked to safeguard valuable tack and possessions. Young children must be supervised at all times. Neither the event manager/organiser nor the land/course owners can accept responsibility for loss or injury to persons or animals howsoever caused.

TREC GB has adopted a Safeguarding Policy and expects every adult working or helping at, or taking part in, TREC GB events to support it and comply with it. The TREC GB Safeguarding Policy is available at <https://trecgb.com/wp-content/uploads/TREC-GB-Safeguarding-Policy-V1.1.pdf>. The Safeguarding Code of Conduct is available at Appendix 1.

## General Rules and Conditions

All competitors must comply with the TREC GB Rules as per the 8th edition TREC GB rulebook (plus subsequent amendments), which can be found at <https://trecgb.com/rules>.

In addition, pay particular attention to the following:

1. Placing will be decided with the rider gaining the highest combined score from the PTV and MA phases taking the first prize. In the event of equality, the highest score from the PTV will take precedence.
2. Competitions are open to all horses and ponies providing that they are a minimum of 4 years old for Levels 1 and 2
3. The welfare of horses competing in British TREC competitions is paramount. No horse may compete if it is unsound or unfit to carry the rider for any reason. Any rider who continues on a horse that they know to be unsound or that has been definitively stopped by the veterinary surgeon or designated competent official on fitness and/ or welfare grounds will be eliminated from the competition.

4. A safety helmet conforming to one of the following standards must be worn, with the chinstrap fastened, at all times when mounted. The approved standards for British TREC are:

6. A Hat Camera may not be worn when mounted. Body Cameras may not be worn on the MA or PTV phases.

7. Tack & dress informal but safe. Riders must wear suitable riding footwear.

8. Standing Martingales and other fixed reins are forbidden. If a running martingale is used, the horse must be led from headcollar and lead rope for led PTV obstacles.

10. The judges' and officials' decision is final and must be complied with at all times. Uncorrected error on PTV course will result in a ZERO score for the PTV.
